

Program Schedule 2007 - 2008

General Program Information

Weekly Meetings

Weekly meetings are normally held at 7:00 pm on Wednesdays at the Ethical Society of St. Louis, 9001 Clayton Road, Clayton, MO 63117. Meeting room availability requires some meetings to deviate from the normal Wednesday schedule. Deviations from the schedule will be announced at meetings, in the club newsletter, and on the Website.

Deadline for Digital Images

For competition in Color, Nature, and Photo Travel sections, images may be submitted in digital format. **Midnight Sunday** before the competition date is the deadline to submit such an image, except as noted otherwise. Please, see pages 15-16 for details about file naming and technical specifications.

New Member Workshops

To introduce new members to Club activities, informal New Member Workshops will be held about once per month. For the remainder of 2007, these meetings will be held at 7:00 pm at the Oak Bend Branch, St. Louis County Library, 820 S. Holmes Ave., Kirkwood, MO. Check the program schedule, newsletter, and the website for dates, and any changes to the location of the meeting place. All members are welcome.

Pre-Meeting Dinners

To allow members to get acquainted with special presenters or judges, occasionally a pre-meeting dinner is held at a restaurant near the meeting place. Such dinner dates will be announced in the program schedule, newsletter, and web site. All members are invited.

Please make reservations with our Hostess.
